Dear Lara,

Following the completion of the audit performed in July 2014 by

Paulo H. Bertolini
Fundacao Vanzolini

and the receipt of an acceptable audit report from the auditor by ISIA,
ISIA is happy to recognize

Biomin Biotecnologia LTDA

as being traceability certified according to the ISIA Traceability Program.

This certification allows Biomin Biotecnologia LTDA to use the ISIA Traceability Seal on its marketing collateral materials such as website, brochures, letterhead etc.

The seal may not be used on product labels.

All uses of the traceability seal must be approved by the CEO of ISIA.

In addition, Biomin Biotecnologia LTDA will be listed as traceability certified on the ISIA website.

This certification will be valid for a period of three years from the date of the audit report, and can be renewed upon completion of another successful audit. Should Biomin Biotecnologia LTDA not renew its certification, it will be removed from the ISIA website and must no longer claim to be certified or use the Traceability Seal.

Congratulations.

Rosemary J. Versteegen Ph.D.
