Chief Operating Officer  
Proliant Biologicals  
2020 Lakewood Drive  
Boone, IA 50036

Dear Randy,

Following the completion of the audit performed in June 2014 by

**Brian Lewis**

and the receipt of an acceptable audit report from the auditor by ISIA,  
ISIA is happy to recognize

**Proliant Biologicals**

as being traceability certified according to the ISIA Traceability Program.

This certification allows Proliant Biologicals to use the ISIA Traceability Seal on its marketing collateral materials such as website, brochures, letterhead etc

The seal may not be used on product labels

All uses of the traceability seal must be approved by the CEO of ISIA.

In addition, Proliant Biologicals will be listed as traceability certified on the ISIA website.

This certification will be valid for a period of three years from the date the audit report, and can be renewed upon completion of another successful audit. Should Proliant Biologicals not renew its certification, it will be removed from the ISIA website and must no longer claim to be certified or use the Traceability Seal.

Congratulations.
