Following the completion of the audit performed August 31, 2016
by auditor

Norman Alayan
Global Alayan Services

and the receipt of an acceptable audit report and recommendation by ISIA,
ISIA is happy to recognize

SeraTec

as being traceability certified according to the ISIA Traceability Program.

This certification allows SeraTec to apply to use the ISIA Traceability Seal on its marketing collateral materials such as website, brochures, letterhead, etc.

The Seal may not be used on product labels.

All uses of the Traceability Seal must be approved by the CEO of ISIA.

In addition, SeraTec will be listed as Traceability Certified on the ISIA website.

This certification will be valid for a maximum period of three years from the date the audit report (through July 2019), and can be renewed upon completion of another successful audit. Should SeraTec not renew its certification, it will be removed from the ISIA website and must no longer claim to be certified or use the Traceability Seal.

Congratulations,

Rosemary J. Versteegen Ph.D.
CEO
