Dear John,

Following the completion of the audit performed January 29, 2016
by auditor

Ashraf Latif
Bureau Veritas

and the receipt of an acceptable audit report and recommendation by ISIA,
ISIA is happy to recognize

VWR / Seradigm

as being traceability certified according to the ISIA Traceability Program.

This certification allows VWR/ Seradigm to apply to use the ISIA Traceability Seal on its
marketing collateral materials such as website, brochures, letterhead, etc.

The Seal may not be used on product labels.

All uses of the Traceability Seal must be approved by the CEO of ISIA.

In addition, VWR/ Seradigm will be listed as Traceability Certified on the ISIA website.

This certification will be valid for a maximum period of three years from the date the audit report
(through February, 2019), and can be renewed upon completion of another successful audit.
Should VWR/ Seradigm not renew its certification, it will be removed from the ISIA website and
must no longer claim to be certified or use the Traceability Seal.

Congratulations,

Rosemary J. Versteegen Ph.D.
