VACCA Biologicals, Corning Life Sciences
994 S. Mudline Road
Murphysboro IL 62966

December 27, 2017

Dear Justin and Bob,

Following the completion of the audit performed December 26, 2017
by auditor

Kent Treichler

and the receipt of an acceptable audit report and recommendation by ISIA,
ISIA is delighted to recognize

VACCA Biologics, Corning Life Sciences

as being traceability certified according to the ISIA Traceability Program.

This certification allows VACCA Biologicals, Corning Life Sciences to apply to use the ISIA Traceability Seal on its marketing collateral materials such as website, brochures, letterhead, etc.

The Seal may not be used on product labels.

All uses of the Traceability Seal must be approved by the CEO of ISIA.

In addition, VACCA Biologicals, Corning Life Sciences will be listed as Traceability Certified on the ISIA website.

This certification will be valid for a maximum period of three years from the date the audit report (through November 2020), and can be renewed upon completion of another successful audit. Should VACCA Biologicals, Corning Life Sciences not renew its certification, it will be removed from the ISIA website and must no longer claim to be certified or use the Traceability Seal.

Congratulations,

Rosemary J. Versteegen Ph.D.
CEO
