<p>X = Permitted <i>Further documentation and certification may be required. Exporters should contact the relevant competent authority or border inspection post to confirm current importation requirements</i></p>																									

¹ Nicaragua is not an approved export country to the EU for FBS, it was never listed in Regulation (EU) 2021/404.

² Central American countries: Belize, Costa Rica, El Salvador, Guatemala, Honduras, Nicaragua, Panama

³ European Union rules apply to: European Union member states (Austria, Belgium, Bulgaria, Croatia, Cyprus, Czechia, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden), Norway, Iceland, Liechtenstein, Switzerland, Northern Ireland

⁴ On 1 January 2021, the United Kingdom left the EU as a member state. Consequently, the United Kingdom is a non-EU member and is establishing a new border regime, the Border Target Operating Model (BTOM) applicable to Great Britain (Scotland, England, and Wales). Following the Withdrawal Agreement, the Northern Ireland Protocol and the Windsor Framework, Northern Ireland is still part of the European Union single market.
