

INTERNATIONAL SERUM  
INDUSTRY ASSOCIATION

## ISIA Regular Membership Benefits

Join the ISIA as a Regular Member to work alongside other serum industry leaders ensuring a stable and sustainable environment for the supply of serum and other animal-derived materials.

In addition, ISIA offers our Regular Members the opportunity to:

### Shape the Industry Through Consensus

- Close collaboration with companies in/adjacent to your supply chain allows you the ability to predict and influence policy or industry practices that impact your business
- Lead or join one of the ISIA volunteer teams, potentially even the ISIA Board of Directors, to actively engage in and prioritize initiatives of importance to your business

### Collaborate with Other Industry Experts & Regulators

- Leverage guidance documents and escalation channels that allow faster resolution to complex regulatory challenges for animal-derived products
- Build and strengthen relationships with your peers, your customers, and your suppliers working with animal-derived products
- Enjoy discounted member rates for the ISIA Annual Meeting, held in Budapest, Hungary in 2025, further enhancing your networking opportunities

### Educate Yourself and Others

- Help identify and communicate trends in the serum industry that are affecting (or may affect) the industry, so that your organizations are well-prepared to leverage opportunities and mitigate challenges
- Lead or contribute to ISIA educational content and publications to drive the mission of creating consistent best practices
- Utilize our expansive library of members-only content that has been cultivated since the inception of ISIA in 2006
