

## **Update on Importing Brazilian Origin FBS into China**

ISIA and its members have been actively tracking the progress between the Chinese competent authority (GACC) and the Brazilian competent authority (MAPA) in defining the process and guidance for Brazilian origin finished FBS to be imported into China. We are pleased to share the following updates:

GACC has released the list of approved suppliers on their website, which can be found here: <http://dzs.customs.gov.cn/dzs/2747042/3995816/swcl/3996846/index.html>

The health certificate has been approved by both competent authorities and can be found here: [https://mapa-indicadores.agricultura.gov.br/publico/extensions/PAINEIS\\_CGTQA/PAINEIS\\_CGTQA.html](https://mapa-indicadores.agricultura.gov.br/publico/extensions/PAINEIS_CGTQA/PAINEIS_CGTQA.html)

ISIA will continue to share updates on additional guidance as it is released by the authorities.
